Report Letter

Dear Churches, Pastors, and Friends:

Philippians 1:3-5 says, ***I thank my God upon every remembrance of you, 4 Always in every prayer of mine for you all making request with joy, For your fellowship in the gospel from the first day until now;***

As I think back upon the last two months these verses really mean a lot to me. During our three month trip to Aruba, and now as we continue deputation/ministry - you have blessed us so much! From those reaching out to us to tell us you are praying for us, to the multiple churches that sent extra love offerings to help us in Aruba, for the help putting new tires and brakes on our van, and for the faithful churches that send us monthly support - we are BLESSED! Thank you for all you do for us!

We are very excited to announce our first FAMILY SINGING CD is now available! The cost is \$15 plus shipping. Over the next couple weeks we will get ordering setup on our website, make it available to download, and also get flash drives that can be purchased as well. We never thought it would be possible to make a family CD, but we are very thankful to Pastor Jeffrey Cooper at Calvary Baptist Church in Branson, MO for encouraging us to record and helping us make it a reality.

The first eighteen days of September were spent finishing our three month trip on the island of Aruba. We worked on projects, taught on the radio, preached many times, and spent a lot of time assisting Missionary Matthew Shields. The churches and believers in Aruba gave us a special goodbye service that we will not forget. Please pray for the Shields as they faithfully reach many nationalities for Christ.

Since returning to the states, we have been in Tennessee, Arkansas, and Missouri – presenting the ministry, and also doing projects as we can. Sometimes God changes your plans, as we were supposed to be in Texas during the end of October, but a cancellation allowed us to be in Cassville, MO instead. After the service, **a young couple met with the Pastor and Professed Christ! Amen!** May we each be faithful as we serve the Lord remembering that HE directs our steps. Paul said, “I have planted, Apollos watered; **but God gave the increase.**”

For Christ,

The Hershberger Family

Our First family CD – We are thankful for the multiple pastors and people that encouraged us to do this. It has many solos of the kids as well as our family favorites.

Projects, preaching, painting, landscaping, traveling, and singing – we've been busy – but we also have enjoyed some special family things along the way.
